IGNATIUS THE HOLY BIBLE

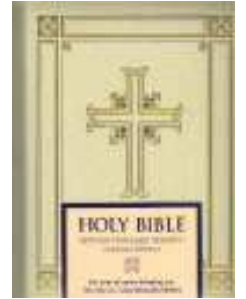

This is the Revised Standard Version: Catholic Edition (RSV:CE). It has been acclaimed for decades as the clearest, most accurate and most beautiful translation of the Bible in modern English. All other major translations have been faulted for excessive paraphrasing or using “inclusive language” - the same language rejected by the Vatican in the new Catechism.

DOUAY-RHEIMS HAYDOCK BIBLE

The crown jewel of all publications is this magnificent reprint, photographically reproduced from a very large old Bible first printed in 1859. Throughout the 1800’s the best known Douay - Rheims Bibles were known as “Haydock’s Bibles” because of the powerful footnotes or commentary that was selected by Fr. Haydock to help the faithful to understand Scripture according to the mind of the Church. The Haydock commentary in this edition was taken from a Bible originally printed in 1812. Fr. Haydock also included notes from eminent scholars which give important historical explanations to help every reader to better understand God’s Holy Word. This edition of the Douay-Rheims Old and New Testaments contains a Bible Dictionary and Bible history, both of which are illustrated. With this edition it is possible for all to hold passages of Scripture with the mind of the Church. We can know what Our Lord wants us to know with certainty. No more opinions of so-called “experts” or faithless theologians. Bible study-groups can now come alive with the truth and knowledge we have been hungering for.
