

## Prayer Books

### CATHOLIC BOOK OF PRAYERS

This book will help us to receive the sacraments and to be united with God in the various circumstances of daily life, in times of trial and sorrow, and in the celebrations of the mysteries of salvation during the Liturgical Year.

It also provides private devotions in honor of the Blessed Mother and the Saints which are intended to lead us to God, the Source of holiness and Giver of every good gift. **Large Print**  
**255 pgs. - imitation leather - \$15.55 Item # 2238**

### DAY BY DAY WITH THE CATECHISM

These short excerpts from the Catechism are rich and pregnant with meaning. Each is followed by a reflection and a brief prayer rounds out each day.

**Jan. 6** — The plan of this Catechism . . . (is built) on four pillars; the baptismal profession of faith (the Creed), the sacraments of faith, the life of faith (the Commandments), and the prayer of the believer (the Lord's Prayer). -No. 13

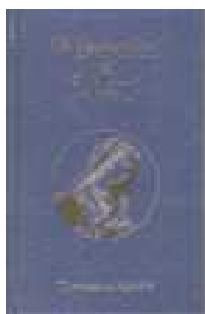

**Reflection:** These four essential elements of our faith were taught to many of us when we were children, but we cannot let our understanding of these great pillars of the faith remain at an immature level.

**Prayer:** *Lord, give us the courage to make full use of all that you have given us to know you to the best of our ability.*

**192 pgs. - vinyl cover - \$7.50 Item # 2345**

### THE IMITATION OF MARY

by Thomas A. Kempis

This work sets forth a systematic organized way of valuable teaching of Thomas Kempis on Our Lady.

The work will help us better understand Mary's maternal role in relation to us and its inseparableness from the role of Christ.

From the work of Cardinal Anastasio Ballestrero, (*The Mystery of Mary*) "*It is not I who seek out Mary, but it is God Who offers her to me; it is not I who love her, but the Lord Who tells me to love her.*"

Today we are witnessing an analogous crime: an attempt to destroy the Holy Catholic Church from within by progressivists. In this volume Atila Guimaraes analyzes the much-discussed *spirit of the Council*. His presentation of the "desire to destroy" examines the planned self-destruction of the Holy Church as designed and executed by the Conciliar and post Conciliar progressivists.

### WILL HE FIND FAITH?

*Atila Sinke Guimaraes*
